Genre: Action, Adventure, Indie  
Developer:  
SinksAdventure  
Publisher:  
SinksAdventure  
Release Date: 6 Jan, 2017

English

crowtel renovations. crowtel renovations

Fun little platforming game that gets pretty difficult pretty fast.. It's a good bird game and even has a frog that says "hey.". A fun, quirky platformer.. A small and charming game. Pros: Art style is simple but consistent. Gets it's themes across. Difficulty is moderate - not easy enough to be boring, not hard enough to ragequit. Increases gradually, "croaktel" mode being a harder than "crowtel". Levels are very decently made, with no off-screen or instant-kill hazards. Neutral: Isn't a long game - 2-ish hours to complete, plus 1.3 hours to play through developer commentary and challenges. Neither does it cost much, though. Also means that even the harder achievements (speedrun / no deaths) aren't too frustrating since you aren't loosing hours per attempt as with many other games. Cons: Firing requires button-mashing, with a on-screen projectile limit. This is by no means new and adds a risk-reward scheme where you can get dangerously close to things to quickly take them out, but personally I'm not a huge fan. 15 minutes into "crowtel" mode you get a "charge up" attack which then becomes a preferred method of dealing with enemies but in "croaktel" there isn't anything like that. The game could use a setting to separately adjust sound/music volume. Overall the game's nice and pros outweigh the cons in my opinion.. DISCLAIMER: I REALLY LIKE BIRDS THEY ARE

---

CUTE AND SMART AND FLUFFY AND I FEED THEM CUTTLEFISH TO KEEP THEIR BEAKS STRONG. I HAVE PLAYED THIS GAME SINCE BEFORE THIS GAME WAS EVEN MADE SO I HAVE BIG EXPERT OPINIIN ON THIS GAME AND EVEN THO MY PLAYTIME IS ONLY 2 HOURS IVE ACTUALLY PLAYED FOR LIKE 800 HOURS ACCUMULATED SO IM BETTER NYA NYAH. Crowtel is a game where the bird wants to make their hotel good, but people want to tell him their hotel is bad. So he has to find the people who are making him look bad. On the surface this story seems fairly basic, but play the second episode and then the story is still basic but it's nice anyways. i think it's better than the main game. I think crow is very cute and I hope he does well in this disgusting hospitality industry because management is hell and i wouldn't wish it on anyone especially not a bird. \$5 is fine, quite being poor.. arguably the best crow-related video game. This is such a cute and fun little game. It's also somewhat challenging. I loved the music. The 'extra game' is even more difficult, but still enjoyable as well.. caw caw caw
