The screenshot shows a software interface titled "Patient Selection". At the top, there is a system tray with icons for network, battery, and time (10:28). Below the title bar, there is a table with the following columns: Patient Summary, Inclusion date, # Sessions Completed, Date First Session, Date Last Session, Date Next Session, and Last PHQ-9 Score. The table contains eight rows of patient data. At the bottom of the interface, there are three buttons: "Track Session", "Start Session", and "Synchronise".
